WHY QUENCH

We live in a world that has many views on life, the **purpose of life** and what is **right and wrong** in the world today our kids are easily influenced and driven by the world. It is important that our Young people grow in the **truth** and **knowledge of God, his unconditional love and grace**. At Quench we aim to build them up **in Jesus, encourage and mentor** them to be true followers of God and to know who he is in their lives. We encourage all to **build friendships** with other young people and leaders.

Indoor games, themed dress ups, **chill nights** to form friendships over a pizza, **youth band** and youth talk.

Outings: ten pin bowling/**flippout**/aqua golf
Importantly share **God's word** from the **Bible** led by **Youth leaders** and breaking into smaller groups to discuss thought provoking ideas and **revelations**.
