

Week 6: What about you?

Game: Play a game of catching and passing with a ball. I hope this game reminds you to pass on Jesus' love too.

Memory Verse: Continue the ball game by passing the ball for each word of the memory verse. Start again if you drop the ball or forget a word.

John 3:16: "God loved the people of this world so much that he gave his only Son, so that everyone who has faith in him will have eternal life and never really die." (CEV)

1. How many different ways did Jesus show his love in this video?
2. Can you name any other ways he showed us he loves us? (Think Easter!)
3. **Read Romans 13:8-10** What was Paul telling the Roman church to do?
4. Jesus' last words were to go out and share this love with everyone – to the ends of the earth! We can start by sharing with people we already know. On the next page write 3 places you spend most of your time (home, school, soccer, dance, etc). What are some things you could do to show Jesus' love in each of these places? Add them to the circles. Pray about doing some of those things in the coming weeks.

Write a place you spend most of your time in at the top of each circle. Underneath write or draw some ways you could show love there.

A decorative card with a heart pattern. The background is filled with various heart shapes: some are solid black, some are white with black outlines, some have horizontal stripes, and some have dots. A large, thick black oval is centered on the page. Inside this oval, the text is written in a simple, outlined font. The text is arranged in four lines, reading from top to bottom: "AS I", "LOVED YOU,", "LOVE ONE", and "ANOTHER". Below this, the reference "JOHN 13:34" is written in a smaller, solid black font.

AS I
LOVED YOU,
LOVE ONE
ANOTHER
